Superintendent's Highlights

The implementation of a middle school outdoor recreation program was successful. Students meeting a set of standards were given the opportunity to participate in the program that takes place once a month. The program achieved an 80% participation rate.

Ninety percent (90%) of the staff and administration have demonstrated competency with technology by passing one of the state approved technology exams/programs.

Additional technological updates and equipment were purchased with JKAF monies.

A three half-day a week pre-school is operational. The pre-school is available for 3-5 year olds and is made possible by a grant from the JKAF.

Progress Towards Meeting District Goals

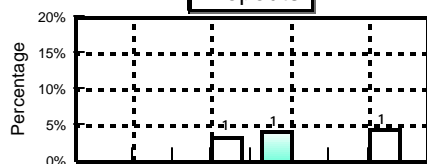

1999-00 Goals	Progress
Develop a web page for the district.	A consultant has been hired to develop a web page for the district. Expected completion is summer 2000.
Write curriculum for art, business education, music, physical education and health.	Curriculum has been written and approved by the board.
To promote the effective use of technology.	All classrooms have access to the Internet. Classrooms average 4 computers each. Teachers seamlessly implement technology into lessons and assignments. Keyboarding skills have been incorporated into the elementary school. Sixth graders are keyboarding an average of 25 words per minute.
